

Improving the Diabetes Journey Acknowledgements

Project Management

2007-2009: Hannah Halloran, Program Manager ICDM, IEPCP, in consultation with Outer East Primary Care Partnership.

2010-2011: Jane Henty of Inner East Primary Care Partnership, in consultation with Outer East Primary Care Partnership. Thank you to Marie Gill of Gill + Willcox for her advice on revising the Improving the Diabetes Journey Tools and implementation of the 2011 stage of the Improving the Diabetes Journey Project in 2010-2011.

Consumer Consultation- 2007

Conducted by: Hannah Halloran, Inner East Primary Care Partnership

ItDJ Pilot- 2009

Acknowledgement and thanks to the following people:

- Linda Shepherd, Program Manager, Inner East Primary Care Partnership
- ITJ Implementation Group who planned and developed the ITJ pilot.
- Eastern Metropolitan Region Integrated Chronic Disease Management Steering Group who provided the leadership and governance for this project.
- Improving the Journey Reference Group for the development of the framework for the Improving the Journey systems model for type 2 diabetes management, including the Agreed Packages of Care and Diabetes Risk Tool.
- Those clients who participated in the Pilot.
- The Department of Human Services, Lord Mayors Fund and Eastern Health in providing funding, which supported the implementation of the project.
